- Responsive Design, adaptable for any screens.

INTERNSHIPS

September 2023 - November 2023

Frontend Developer

Nanaitales

- Our project is mainly focused on storytelling experience in our own voice. We record the stories in our voice and combine it with the video and gives user a feel that they are narrating the story to their children.
- My part in this project is to design the UI of the whole website using Tailwind CSS and worked with React JS too.

June 2023 - August 2023 🔗 **Retro Website**

UI / UX Designer Intern

PK Innovatives

- Worked in Figma to design a Retro styled website containing a common home page and 3 Pages Photography, Social Media Marketing, Casting.
- Designed a Dashboard containing Attendance, Inventory, Transport Bills, Invoices, Production, Human Resources, Management Team sections
